TO ALL MEMBERS

We will start the process of providing sub- lease deed effectively from 1<sup>st</sup> April, 2020.

There may be certain points you would like to clarify or have already been brought to our notice but the same is still pending.

As, we have to submit details of members and their plot areas along with corresponding Dag numbers to the Land and Land Department for vetting purposes. The details will have to be incorporated in the lease deeds also. As such we would request you to get any pending matter to be cleared immediately.

As informed there is tremendous pressure from the Textile Ministry to make the Park operational immediately. As the whole grant is at stake we cannot keep the matter pending any more. In case of dues remains outstanding it will not be possible for us to forward details to the L& LR Department and thus the total onus for the same is on you to do the needful.

In this respect we would like to remind you that as per the decision taken in the AGM the Board have been empowered to cancel, reduce and charge interest in respect to nonpayment of the dues.

We are in process of modifying the LAYOUT of the project plan by reducing area so that names of members whose dues are outstanding can also be forwarded to the L & LR Department.

This is for your information.

Thanking you,

For West Bengal Hosiery Park Infrastructure Ltd
